

Exciting Updates - New employees, new premises, and a new website

To kickstart the new year, we are thrilled to share some exciting news happening within our company

New Employees

Our team is growing, and we're delighted to welcome more members who share our passion for innovation. These new additions bring diverse skills and a fresh perspective that will strengthen our mission to produce high-quality concrete roof tiles solutions worldwide. As we expand our workforce, we are confident that our collective expertise will contribute to achieving new heights in innovation and customer satisfaction.

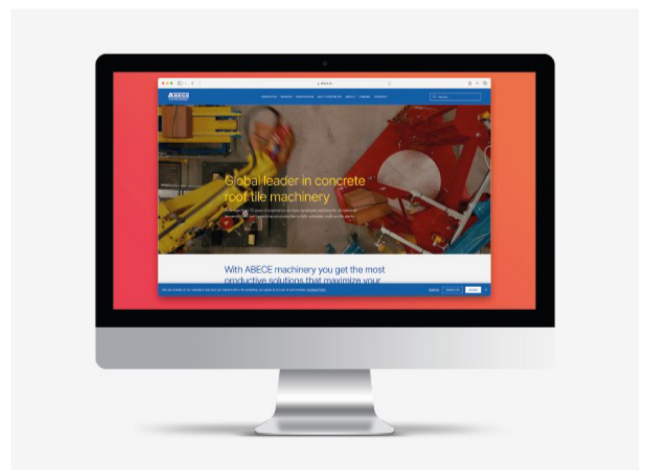

New Premises

We are proud to announce that we have moved to new premises within Nyköping. The improved infrastructure will enable us to enhance our technical solutions, ensuring that we remain at the forefront of the industry. Our commitment to sustainability is reflected in the installation of solar panels on the roof. This green energy initiative aligns with our values, demonstrating our dedication to reducing the environmental footprint.

New Website

We are excited to unveil our updated website. The new website will let you explore what we stand for, our cutting-edge machinery, and our state-of-the-art solutions. We invite you to visit abece.se to explore the full spectrum of what ABECE has to offer.

Lastly, we look forward to another great year with new and existing customers all around the world.
